Important Update - We've upgraded our website security for 2026.

👉 **All users must create a new account** (even if you've used the site before)

What's New

- Each account must have a **unique username and email address**

Get Started in 4 Easy Steps

Click the orange **“Sign Up”** button

The screenshot shows the website header with the Salvation Army logo on the left, the title "2025 Salvation Army - Ring the Bell" in the center, and the CUTCO logo on the right. Below the header is a navigation bar with "HOME" and "ABOUT" links. A red banner contains a note: "Please note: All volunteers must create a new account before you can sign up for timeslots in 2026." The main content area is divided into two sections: "Sign In (If you have already created an account)" and "Create Account (If this is your first time on this site)". The "Sign In" section has input fields for "Username or email" and "Password", a "Submit" button, and links for "Forgot Password?" and "Forgot Username?". The "Create Account" section features a prominent orange "Sign Up" button.
